Dear friends,

Thank you so much for your participation today and for your support of our young people. This is an important day in the Carver calendar because of you. Your support provides crucial opportunities and encouragement that our students need to achieve their academic and life goals. Your commitment honors their daily effort and aspirations.

Carver is the largest private provider of after-school and summer programs for students in Norwalk. Carver's college-prep after-school and summer education programs are conducted at the Carver Community Center, in Norwalk's four middle and two public high schools, Columbus Magnet School, and in Side by Side Charter School. Since 2005, 100% of Carver students have graduated high school on time and almost all become first-generation college students. Your support today sustains this important work.

Welcome to the Fourth Annual Carver Golf Classic!

Sincerely,

Novelette Peterkin, Executive Director
