Roton Middle School 6th Grade Summer Transition Camp

Open to all 5th graders who will be attending Roton Middle School in August 2024.

Research suggests that one of the most difficult transition points in education is elementary to middle school. Navigating a larger environment, excelling with grades, multiple teachers, and juggling competing priorities can be quite challenging. The Roton R.A.M.S. Summer Transition Camp will be a necessary bridge to middle school! The program is staffed by Roton teachers and staff members, helping incoming students to build relationships with their future teachers! **Breakfast and Lunch are provided daily FREE OF CHARGE!!**
